

## HURLEY REFORMED CHURCH

# THE SPIRE

VOLUME 2, ISSUE 1      JANUARY 2010

Dear Brothers and Sisters in Christ,

A story circulates among the German Baptist Brethren of Lancaster County, Pennsylvania. It concerns a man who resists God's call most of his life. Finally he sees the light and requests baptism from the minister of his congregation. Baptism was usually performed among the German Baptist Brethren on Christmas Day. That Christmas was terribly cold. The pastor walked out on the frozen pond until he spotted what he perceived to be the thinnest section of the ice layer. He grabbed an axe and chopped a hole. Then he took a long pole and measured the depth of the water. The minister dunked the man three times in the frozen water, baptizing him in the name of the Father, Son and Holy Spirit. The baptismard sprung from the water spluttering and gasping "At last it's over," he said. The minister looked at him and replied, "No brother, it's just beginning."

Jesus' baptism at the hands of his kinsman, John, signaled the beginning of his ministry. In that baptismal experience Jesus heard God saying, "You are my beloved Son with whom I am well pleased." I think the affirmative nature of the Father's words gave Jesus the strength and hope to begin his public ministry. God's verbal expression sustained him

when he fasted and experienced wilderness testing for 40 days. It provided strength as he dealt continuously with hungry crowds and those in need of spiritual and physical healing. His Father's consolation comforted as he dealt with unruly disciples who jockeyed for positions of power and influence. The words abided as he stood fast against the power of Pontius Pilate and the predations of those who mauled and nailed him to a cross. As Christians we are called to affirm others as they begin significant pilgrimages in their lives. You truly offer a cup of cold water to someone dying of spiritual thirst when you tell him or her that he or she is God's beloved Child.

The baptism of Jesus has deeper significance. In the book of Romans (6:3-4) the apostle Paul writes "Do you not know that all of us who have been baptized into Christ Jesus were baptized into his death. We were buried therefore with him in baptism into death so that as Christ was raised from the dead by the glory of God we too might walk in newness of life." Baptism is, in part, a metaphor for the dying and rising, the ebb and flow, of our journeys. Sometimes bad things happen to good peo-

ple. Indeed, bad things have happened to us. Baptism symbolizes the fact that Christ is with us when we submerge in the watery seas of despair, confusion, and fear. Throughout the Old and New Testaments water connotes the forces of overwhelm in our lives which seek to, as the Elizabethan writer so quaintly puts it, "undo us." Baptism reminds us that God continually lifts us out of icy waters. Our lives, our hopes, our dreams, are renewed and restored. As Christians, new beginnings are both legacy and future. Let us rejoice in new beginnings as we embrace fully this New Year.

In Christ's Service,

Dr. Bob

### *Listening to Our Lives*

*The circumstances of our lives are another medium of God's communication with us. God opens some doors and closes others...Through the wisdom of our bodies, God tells us to slow down or reorder our priorities. The happy coincidences and frustrating impasses of daily life are laden with messages. Patient listening and the grace of the Spirit are the decoding devices of prayer. It is a good habit to ask, "What is God saying to me in this situation?" Listening to our lives is part of prayer.*

"Over the ground lies a mantle of white." Even the columbarium area is covered with the gentle flakes that have fallen from the sky to blanket the quiet area beside the Hurley Church. It gives it a mystic kind of setting as you drive by at night and see the soft light that illuminates the niche area and the patio now covered with snow. In the snow you can see the prints of several people who have gone to spend some time on the patio, standing or sitting on the benches to reflect and remember. It is a place of serenity, a place of peace and tranquillity in all of the seasons of the year as well as in the seasons of our lives. Maybe you need to stop and spend a few minutes or remember as you drive by and see a very special place in many of our lives. It is open twenty four hours a day... Rev. Stickley

### Youth Group

Thank you to everyone who supported The Giving Tree this year. With your assistance we almost needed 2 cars to get everything to Queen's Galley. You donated: 57 Hats/Earmuffs, 49 Scarves, 69 Pairs of Gloves/Mittens & 88 Personal Products (Shampoo, Razors, Toothpaste, etc.) We thank you so very much, and so do the patrons of Queen's Galley!!!!

On 12/4/09 we held our annual babysitting night. We were able to raise \$144 for the American Cancer Society. During the night Ireland Sirni led the children in a craft for her Girl Scout project. She did a great job & the children had a wonderful time making her edible snowmen. Thank you to everyone that came out & supported us.

On 12/11/09 we went caroling in the neighborhood. We visited 12 homes singing Christmas Carols & spreading some holiday cheer. We thank everyone who let us come to their homes. We even had snow falling which added a wonderful holiday

feel to the night. We ended the evening at Rev & Mrs. Stickleby's home. They had hot chocolate ready for us. What a great way to end the evening.

The Youth Group adopted 4 families this holiday season. Each family adopted a child from these families & purchased items to brighten their holiday season. Two of these

families have a person who has cancer. During these difficult times we

tried to assist in making their holiday's a little brighter. We also had some help from the congregation. Thank you to Gay Gravina & the Gregory's for your wonderful assistance. We all helped to spread the meaning of the season.

Our annual Souper Bowl Sunday Chili sale is coming up on 2/6/10. We will be taking pre-orders on 1/24 & 1/31. Sign ups after church or

see Karen Waligurski if you have any questions. This is a fund raiser for our local soup kitchens— Queens Galley & Caring Hands Feeding Program at the Clinton Ave Methodist Church.

Our January/February food collection will be spaghetti pasta. The last collection date for this will be 2/28/10. Please put your items in the box marked food collection in Schadewald Hall.

Our upcoming events:

2/6/10—Making chili for Souper Bowl Sunday

2/7/10—Selling chili for Souper Bowl Sunday fund raiser

3/2/10--Brooks BBQ

*May you go forward*

That's right...the Youth Group is sponsoring a Brook's BBQ here at the church.

**March 2, 2010** Mark your calendars now and watch for more details.

**Sanctuary Flowers** - Kathy Jansen is coordinating the weekly Chancel flowers. Please call her (331-2695) or speak to her if you wish to place flowers on the altar during the next year.

**Kudos to one of our own**

Many of us were part of Lia Sumerano's "growing up" years and Lia has always been very grateful for all the support she received from the Church, especially Jeanne Hattersley and Lonnie Kulick. Both had a major influence on her career. Lia has been living in NYC and doing regional theater and Off-Broadway gigs. She was selected recently to be part of the "Jesus Christ Superstar" North American Tour as the "middle Soul Singer" and Mary Magdalene understudy.

Rehearsals took place in NYC, tech week was in St. Louis, and opening night was 12/26 in Bismarck, ND. The starring role of Jesus is played by Ted Neeley who also played Jesus in the movie, over three decades ago. The show itinerary is not complete yet, but at present the nearest shows will be in Utica, 2/14/10 or New Brunswick, NJ 2/20/10. The JCS tour will be on the road crisscrossing the USA and Canada until July.

*Break a leg, Lia!*

**When You're Hospitalized**

**Help us stand beside you in health challenges:**

- 1) **Tell the Pastor or an Elder as a hospitalization nears—or afterward in emergencies.**
- 2) **At admission, check "yes" for pastor to be told.**
- 3) **If you cannot give permission, do #1 above.**

**Let's stay connected to God and each other—especially when large health issues descend!**

**If Sunday's Weather Is Rotten**

If you awaken on a Sunday to a blizzard that appears perilous to life or limb beyond the front door, we suggest discretion and not valor. In most cases there will be a Sunday Church School and worship service in the warm confines of our buildings for the intrepid. But if you're game and want to confirm that classes and services await you on arrival, here is the way to proceed:

Worship cancellations will be announced Sunday mornings on radio station: WKNY (1490 AM); The second coming of Christ is normally the only reason worship will be cancelled... or if the prospect of injury looms large. Tack this article somewhere convenient to keep in touch with that rare eventuality.

**More Peace**

Ultimately, we have just one moral duty:  
to reclaim large areas of peace in ourselves,  
more and more peace,  
and to reflect it towards others.  
And the more peace there is in us,  
the more peace there will also be in our troubled world.

## **2009 Church Benevolences**

In addition to the regular monthly mission programs which are announced through the Sunday morning bulletins and the Spire, included in the budget for the Church, is a specific category for benevolences; the Consistory ties this level of contributions to the total income from the congregation and the church programs, which also includes the receipts from the donation received from the cell tower for placement of the equipment in the church steeple. It was decided by the consistory to devote the majority of these funds (\$10,000) to organizations / programs which are local to us, and one new program (\$2,000) which we hope to be able to partner with through the friendship of Dr. Gram.

For the year ending December 2009, the following programs received the denoted donation and we have included a brief description of that specific program, as several of them may sound new to you, but actually have been in existence for a number of years:

“Portal Program” - \$3,000: This donation was provided through St. John’s Episcopal Church, which is in partnership with the Kingston Area Council of Churches, providing low-cost housing and support to individuals reestablishing their self sufficiency.

“Caring Hands” - \$3,000: This program is administered by the

Clinton Avenue Methodist Church as a Soup Kitchen which serves lunches, Monday through Friday. Over the past year they prepared nearly 17,000 lunches for children (1200), adults (12,000) and seniors (4,000). With the close of St. Simon’s soup kitchen, “Caring Hands” expects a spike in need during 2010. The Youth Group has also donated funds raised through the Souper Bowl of Caring.

“Queens Galley” - \$2,000: We all know Queens Galley as a Soup Kitchen. In addition to providing meals, they also provide awareness, education, relief and prevention of food insecurity. The Youth Group has donated funds, goods, and services throughout the year. The Women’s Guild also includes

the Queens Galley on their list of recipients for 2009.

“Ulster County Habitat for Humanity” - \$2,000: The local group in Ulster County was organized in 1996, and, together with partners, has rehabilitated or built homes in Ulster County. If you recall, the UCHH was the recipient of the former Liquidated Furniture building on Rt.28 (from the Wiedy family). Their mission now is to create that facility into a ReStore facility for materials purchased or donated for their local rehabilitation programs.

*If I cannot listen to all of life,  
then any part that I do hear  
will be only partial or distorted.  
If I am listening only in chapel,  
if I am listening only to my peers,  
if I am listening only to my profession,  
if I am listening only to my routine,  
then I have cut out the poor,  
the children, the needy, the holy  
where it is calling me to be present.*

Joan Chittister

“My Brother’s Workshop” - \$2,000: Through Dr. Gram’s friendship with Rev. Jeff Neeval, we were introduced to a program on the island of St. Thomas, which was created to assist disadvantaged adults 18-25 years of age. The program provides vocational training and career guidance for the young people most in need or the most at risk. They train in a simulated environment with professional volunteers from the community in areas of plumbing, electrical, carpentry...with the goal of sending them back into the community for career oriented trades. It is hoped that Hurley will be able to partner with the St. Thomas Reformed Church in the future also with this program. Go on the internet at the following link, and look at their video or photos of the projects that have already been accomplished: <http://mybrothersworkshop.com>.
